

# United Way Born Learning Academy

fueled by

*"Turning Everyday Moments into Learning Opportunities"*

## **What is the United Way Born Learning Academy?**

The Born Learning Academy is a series of workshops for families with children from birth to 5 years old. Together we learn how to prepare our children for school starting when they are born.

## **What can you expect?**

The evening begins with dinner with our families then we break out into groups and learn how to Turn Everyday Moments into Learning Opportunities.
