## Let's Walk & Talk & Trash!

- Written by the whole SHINE Community News Club

Have you ever heard of Ludlow's Walk & Talk & Trash? If not, keep reading! Walk & Talk & Trash is an event that takes place once a month, on every second Monday. If you want to join, go to Folk School Coffee Parlor at 6:30 PM on the dates below. This activity helps our community look pretty, beautiful, and healthy. We don't want all of that trash sitting around on our streets and in our alleys.

This could be a great activity for parents to do with their kids because it shows them how to take care of the Earth and the community. When they grow up, they'll know how to take care of their community. You also get to meet new people and make new friends in our community.

We invite parents, families, and community members to join Walk & Talk & Trash on Monday, April 8th at 6:30 PM. This is the first one for the year and a great way to start spring cleaning!

Keep Ludlow clean!

Keep the Earth clean!

The next dates:

Meet at Folk School Coffee Parlor

# Do You Know About Our Clubs in SHINE?

By Alex Adcock (5th grade) & Ashton Dauwe (6th grade)

We are two members of the SHINE Program and our topic for today is... CLUBS in the SHINE program!!!

Read on to learn more about the SHINE'S clubs!

In our clubs we do more than just learn about certain things. We learn about *how to have fun with it*. For example, we have a ukulele club. In this club, Ms. Mathey teaches us about how the ukulele works and how to play it. We put on shows with our ukuleles too!

Another example is the chess club. In this club we learn about how to play this hard game, and how to enjoy it when you play it. We learn the rules of the game and how to win!

This is what we do in just two of our SHINE clubs. We have a lot of fun learning to play the ukulele and playing chess.

**DO YOU KNOW  
ABOUT  
LUDLOW'S  
HISTORIC  
AMUSEMENT  
PARK?**

You should learn more about the Ludlow Amusement Park. It was open from 1895 to 1917. They sold good food and drinks and also played music. There were lots of rides and shows to entertain people. And also there was a lagoon where people floated boats.

But in the year 1913 there was a flood in the town so the lagoon and the Ohio River flooded Ludlow and it's park. Also some of the roller coasters fell to the ground because of the flood, and they didn't rebuild parts of the amusement park ever again. The flood was one of the

reasons the park closed in 1917. There was a bad tornado and an accident too.

Learn more about our cool amusement park history by visiting the Ludlow Heritage Museum, located at 227 Elm Street in Ludlow.

**Good News for Ludlow Families!**  
Mary A. Goetz Elementary School has been awarded a continuation grant for its SHINE 21st Century Community Learning Center Program! This means that before-school, after-school, and summer programs are funded for the next five years. We're excited about this wonderful news!
