LEADERSHIP SCHOLARS

Empowers Parents, Transforms Students,
Strengthens Communities.

Leadership Scholars offers a program for parents (or relatives) where parents have the opportunity to learn the latest college knowledge information, financial aid and scholarship information and connect with other parents through the program. Parents will receive a timeline to keep their children on track for college as well as strategies to support their child's academic success along the way. College attendance rates increase for children who have parents participating in their learning!

Yes! I want to sign up for Ludlow's Parent Academy!
