

# CAREER DAY IS APRIL 27

Career Day for Grades K-6 will take place on Friday, April 27<sup>th</sup>. Students in Grades K-6 will hear different speakers and do some fun career-related activities in class. On this day, students are also encouraged to DRESS UP in attire that represents their desired future career! This could be a full costume, or they can simply carry/wear an item to represent the career they want to have some day. We hope all students participate!

## WE ARE LOOKING FOR CAREER DAY SPEAKERS!

Each grade level needs three speakers. Each speaker will make three presentations between 8:45 and 10:15am. Each presentation will last about 25 minutes, and will be to a group of 20-25 students, all in the same grade level. If you, a family member, a friend, or a co-worker are interested in becoming a Ludlow Career Day Speaker, please contact Jenny McMillen at [jennifer.mcmillen@ludlow.kyschools.us](mailto:jennifer.mcmillen@ludlow.kyschools.us) or 261-8210. This is a great way to give back to your school and community!
