State law requires children between the ages of 6 and 18 to attend school. Any child, who becomes 5 years of age on or before **August 1**, is eligible for the Primary School Program (beginning with Kindergarten).

Preschool is available for eligible 4-year-old children and those with disabilities beginning at age 3. A child with a disability is one who demonstrates a delay in one or more areas of development. Contact Aubrey Cahill for questions on eligibility.

Please help spread the word to families who may have incoming students!
